The bite of a genetically altered spider granted high-school student Peter Parker incredible, arachnid-like powers: strength, agility, a spider-like sixth sense warning him of personal danger, and most amazing of all-- Peter can walk on walls. When a burglar killed his beloved Uncle Ben, a grief-stricken Peter vowed to use his amazing abilities to protect his fellow man. He learned the invaluable lesson that with great power there must also come great responsibility!

Captain America, Iron Man, The Wasp, Thor, Hawkeye, The Black Widow, and Giant Man are THE ULTIMATES!! Brought together by the espionage agency known as S.H.I.E.L.D., The Ultimates serve as a super hero defense initiative protecting the world from whatever threatens to destroy it!

## PREVIOUSLY IN ULTIMATE SIX

After being apprehended by Spider-Man, The Green Goblin, Dr. Octopus, Sandman, Electro and Kraven the Hunter were being held in a S.H.I.E.L.D. containment center.

Now the worst has happened as all five have escaped. There are only two things on their mind: revenge and Spider-Man.

# The Hamptons.

This I like.

Whose joint is this?

This is Wilson Fisk's summer place.

The **Kingpin**? We're in the Kingpin's house eating the Kingpin's food?

Kingpin ain't in the country. He got pinched on a murder wrap. Guy's in **Argentina** or something.

He ain't coming by.

Otto, is this computer...?

With the equipment we borrowed from S.H.I.E.L.D. I can get what we need.

Make your call, Norman.

I can't believe how much **junk food** one man can--

Fat guy likes his Ding Dongs.

Hey, guys! Quiet down for two minutes and remember don't--

We know, don't start up our powers.

I have to make a call.

Who you calling?

Fury, sit  
down.

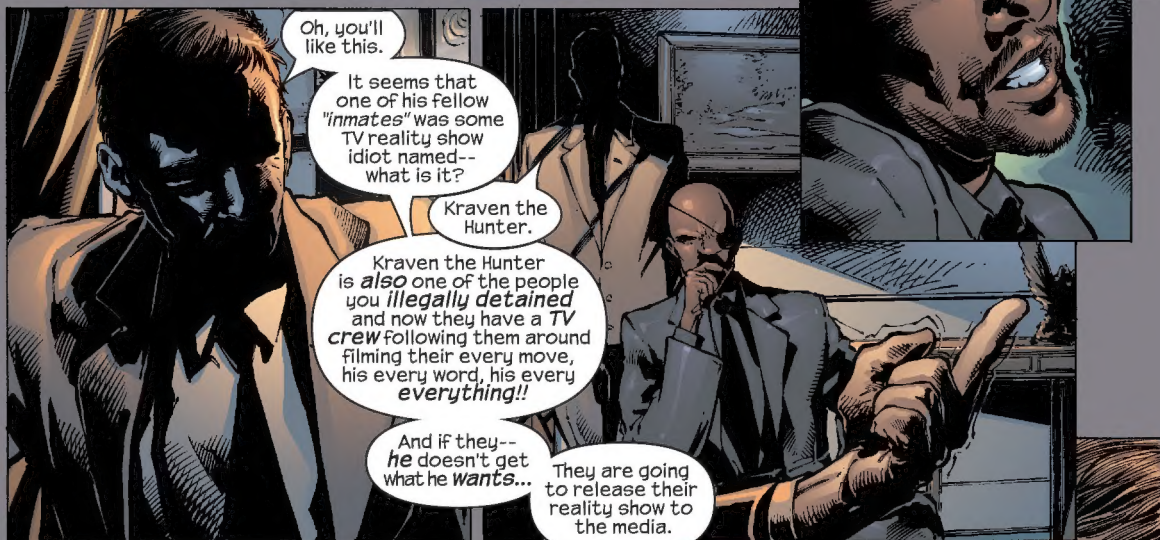

Or what what?

You said a hundred million dollars, his son, his company, amnesty and me arrested or *what?*

Or what's he going to do?

Oh, you'll like this.

It seems that one of his fellow "inmates" was some TV reality show idiot named-- what is it?

Kraven the Hunter.

Kraven the Hunter is *also* one of the people you *illegally detained* and now they have a TV crew following them around filming their every move, his every word, his every *everything!!*

And if they-- *he* doesn't get what he *wants*...

They are going to release their reality show to the media.

You went and made yourself a little super-villain *concentration camp* behind my back!!

Locked up a bunch of people without a trial or any due process--

Sir.

And they *escaped!!*

And *now* they are holding *me* and my entire presidency for *ransom!!*

Fury, I don't think it would come as any *surprise* to you to know that this White House--

*My* White House--

--bends over *backwards* to keep your *numerous* political enemies off your back... so you can do your job.

I also think you know that I give you an *insane* amount of latitude.

And in return?

Bare minimum, I expect not to have these *idiots* calling my house!!!

We won't even get into the fact that a handful of my cabinet, **including** my chief of staff here, were **stockholders** in OsCorp!!

**See?** See where I am going? Smells fishy, don't it?!

Smells like **we** were all up to shenanigans with Osborn.

Like we swept him under the rug and **stole** something from him.

Can you-- do you know how many bleeding heart organizations I am going to have crawling up my skirt when they find out you were holding men against their **will**!?!?

Mr. President, with all due respect--

**SHUT UP, FURY!!**

War hero? Don't care?

This is about today, and today is a **very** bad day for you, Fury!!

Without a trial??

Doesn't **matter** what they did, Fury? Doesn't **matter** why you put them there.

You think it does-- I am telling you, to these people, to the American people, it absolutely does **not**!!

I mean it, shut your #\$\$\$ mouth.

I swear to God I'll arrest you for treason right here!!

I swear to God!!

But I am telling you right here and right now, if this isn't taken care of quickly and quietly--

**Today! Tonight!**

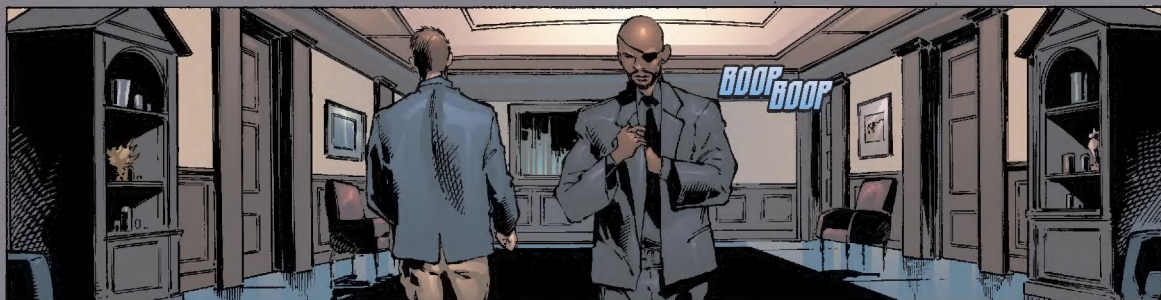

I am cutting you off at the knees!!

I am **not** going to have **my** legacy in this office dictated by lunatics.

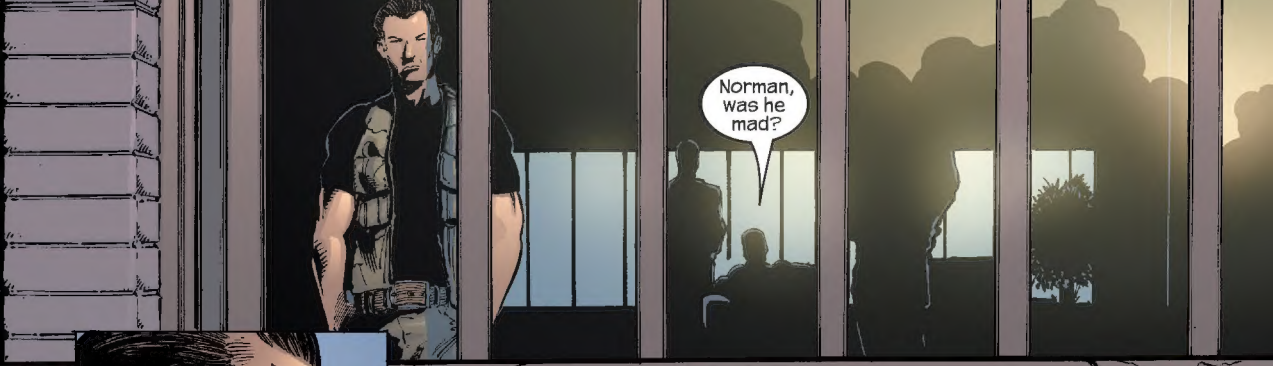

Did he happen to say where he was calling from?

**GET OUT!**

Norman,  
was he  
mad?

They might be  
able to trace  
you off his  
phone...

So you  
might want  
to get this  
show on the  
road.

Guys?

Here's the  
deal.

We've been  
imprisoned together.  
We have a bond of  
experience.

For lack of  
a better term,  
we're war buddies.  
That said...

I'm going  
to **destroy**  
Nick Fury.

I'm going  
to **ruin** his  
world.

And when all  
that is done... I  
hope to be there  
when he draws his  
last breath.

If you want *in* on  
this, you are more than  
welcome. You all, *all* of you,  
certainly have *earned* it.

You can *stay*  
or you can  
go.

If you *stay* all that I  
ask is that you bow to  
Otto and my experiences  
and leadership and abide  
by our plan.

When all is  
done, I guarantee  
you either worldwide  
infamy or a life-altering  
paycheck...

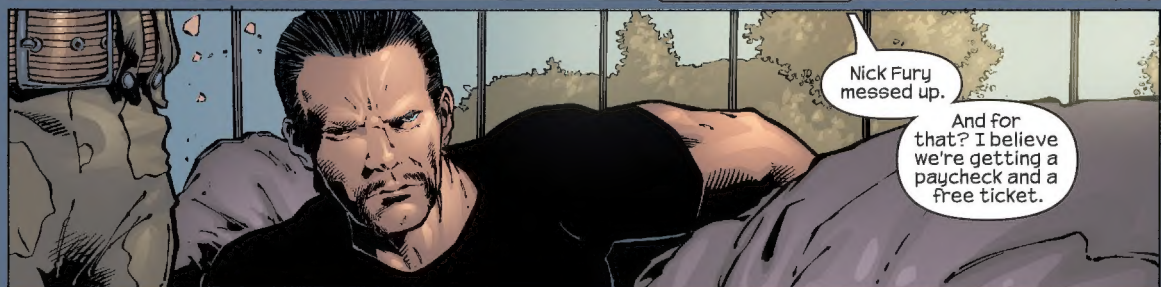

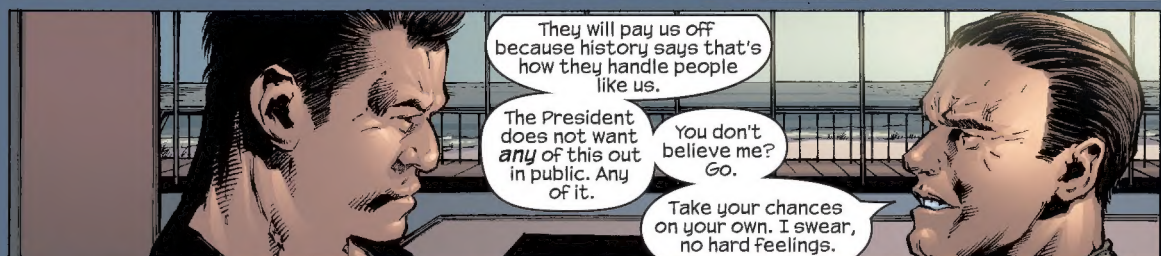

And, get  
this, if all goes  
accordingly, you're  
going to walk away  
from this as free  
men.

How on  
*earth* are we  
going to walk  
away from  
*this*?

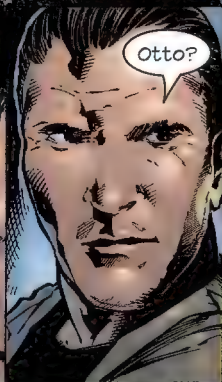

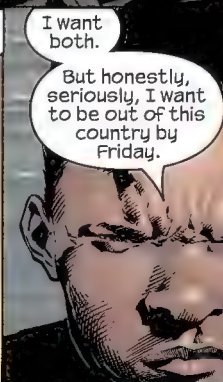

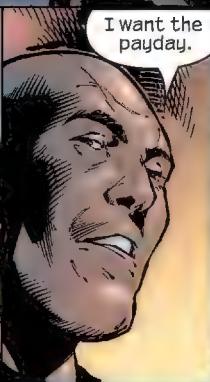

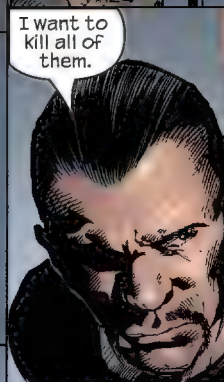

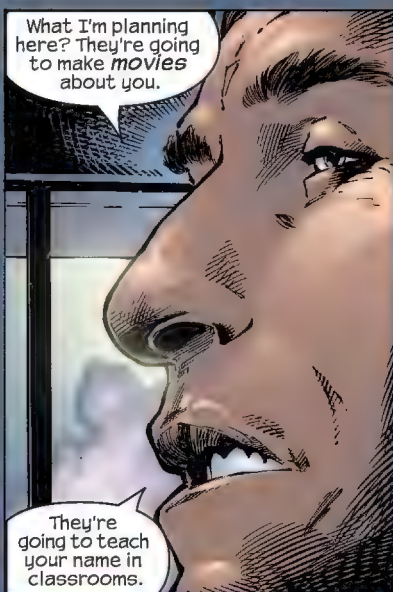

We're escaped  
convicts.

Terrorists,  
technically.

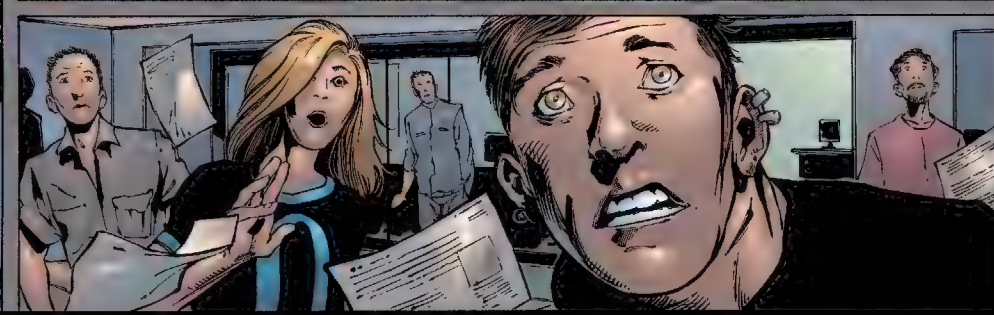

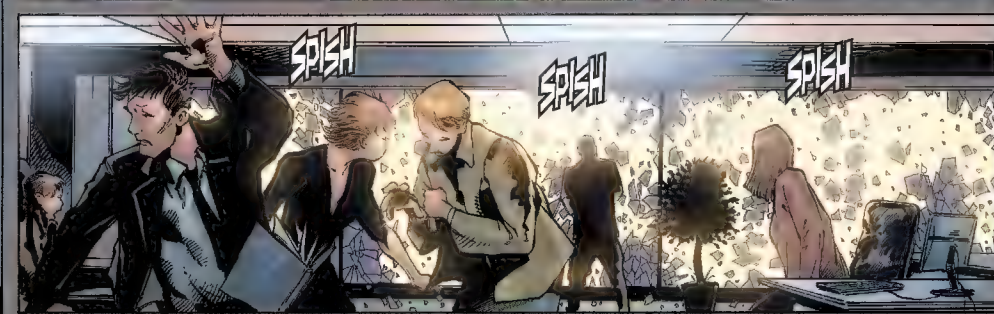

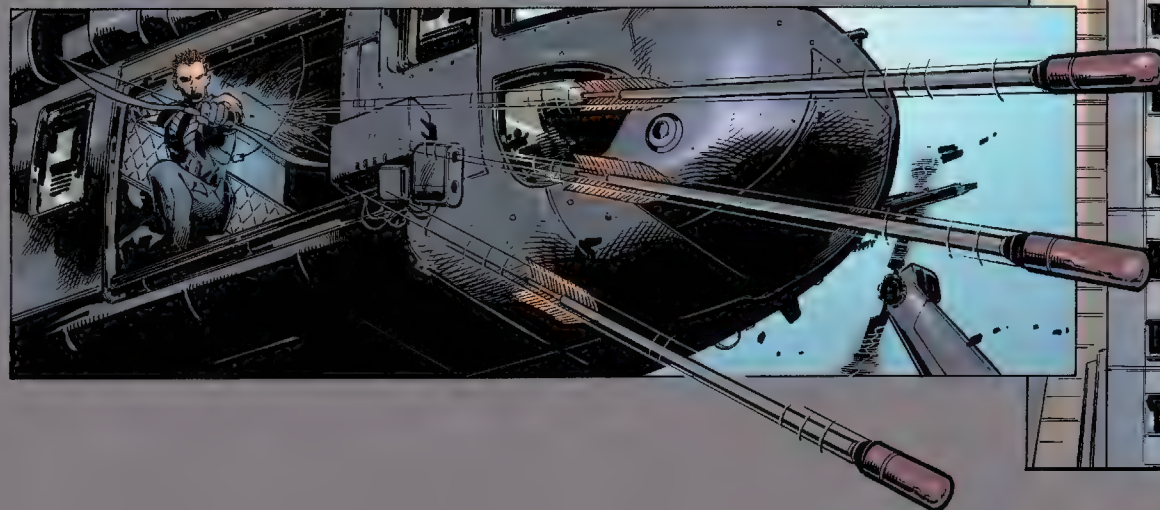

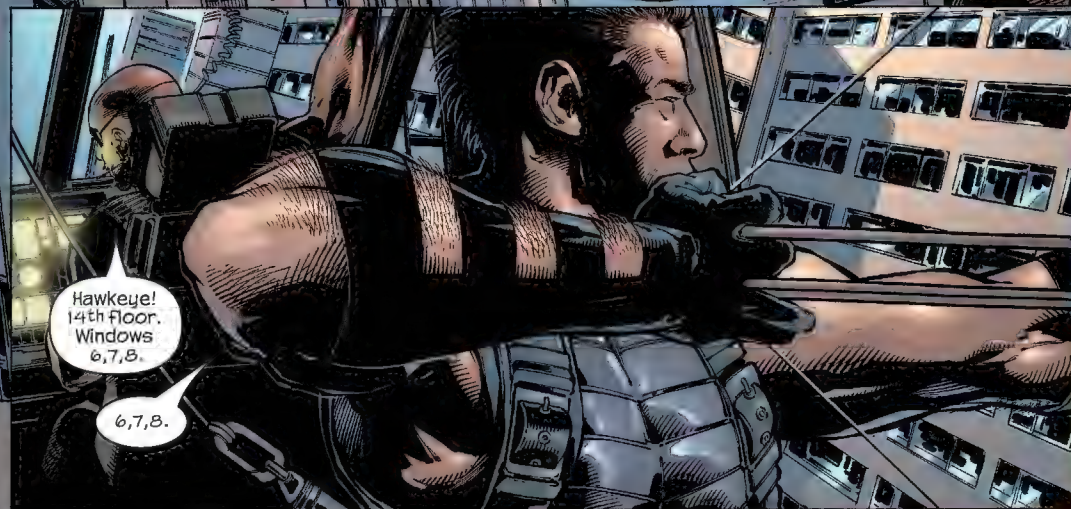

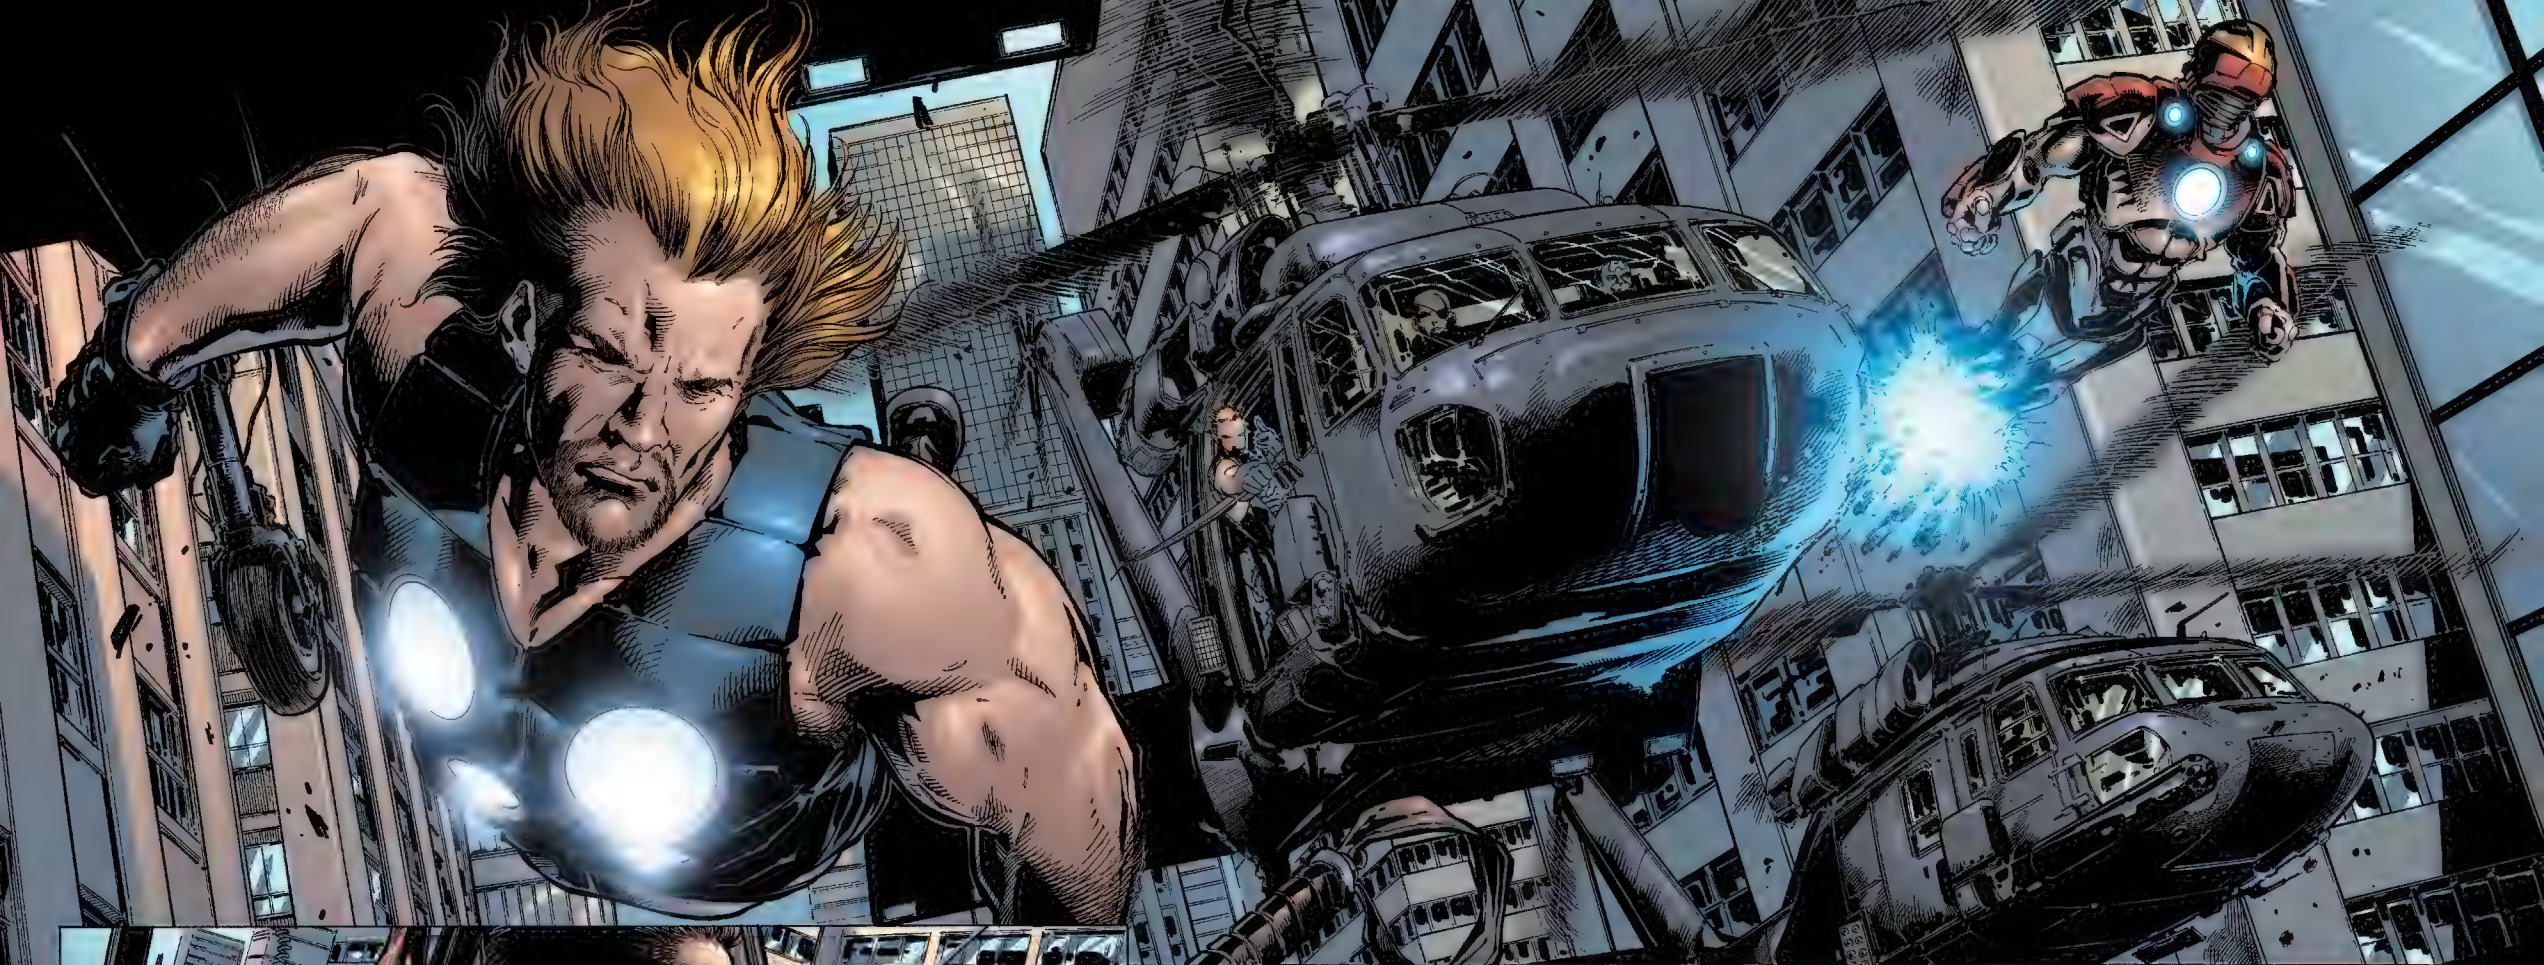

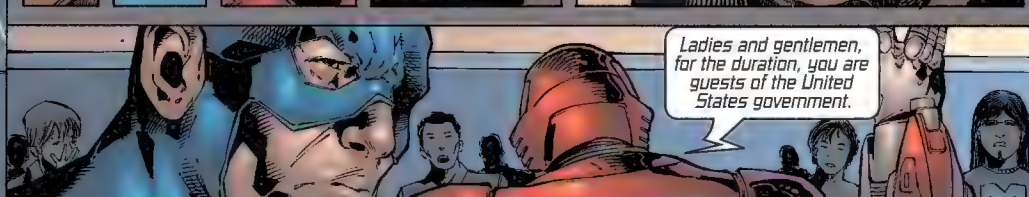

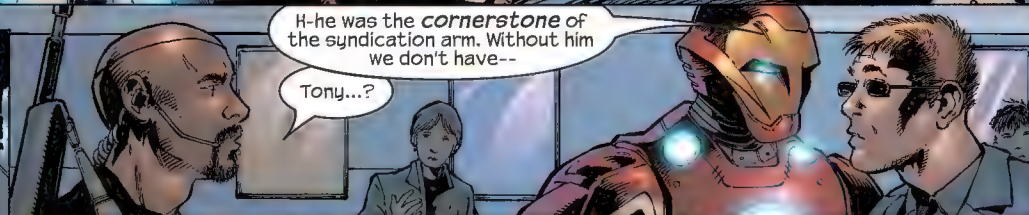

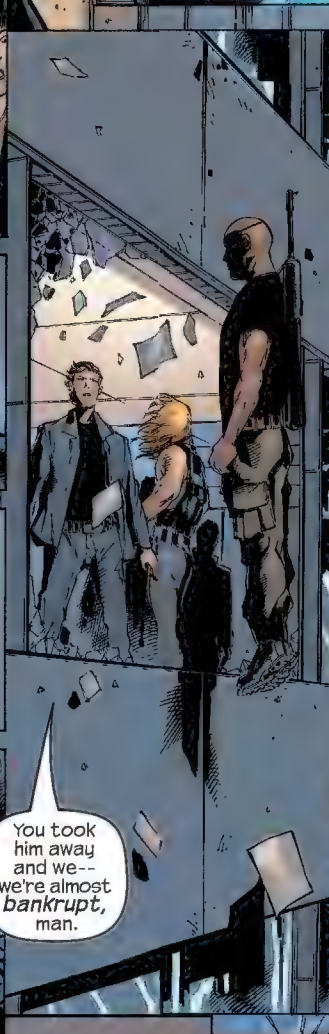

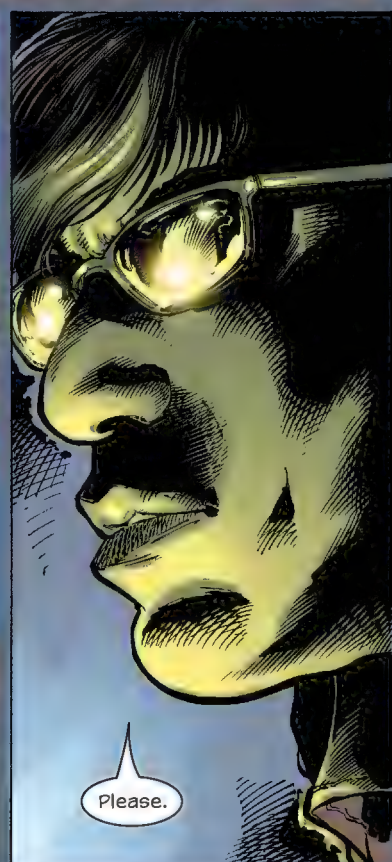

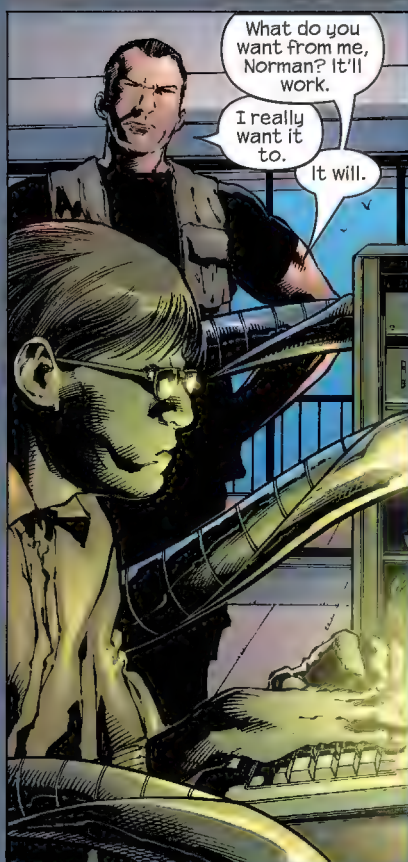

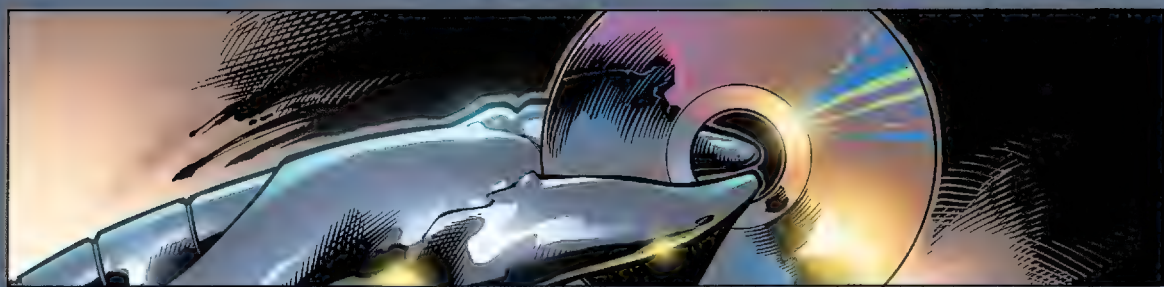

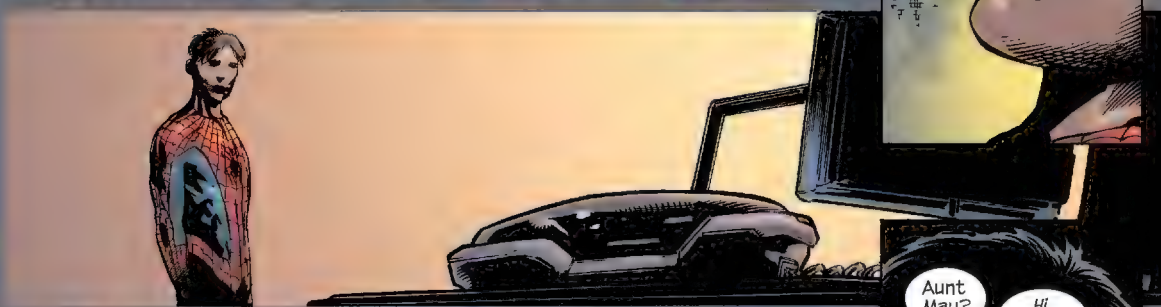

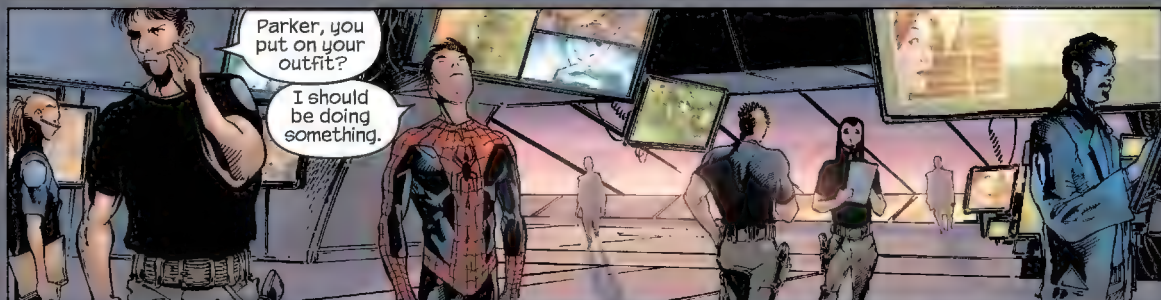

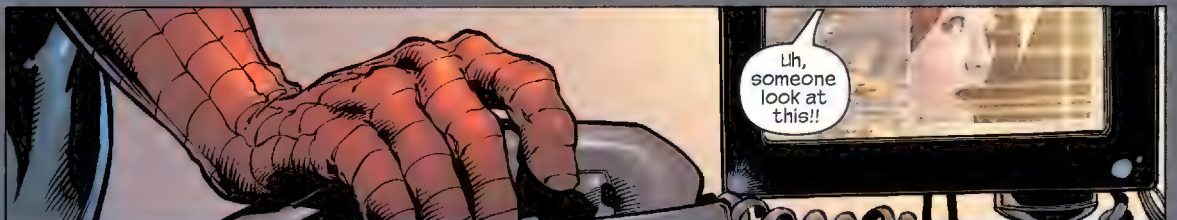

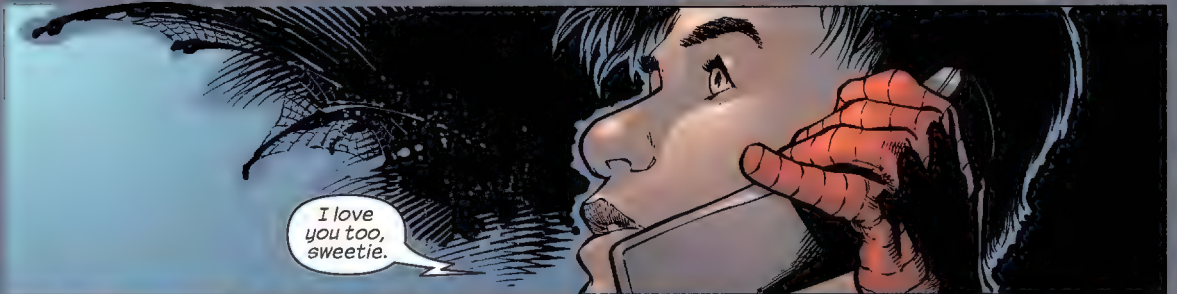

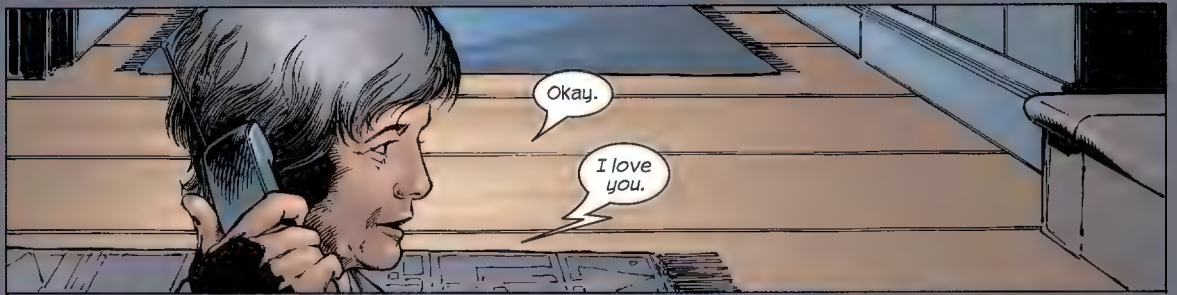

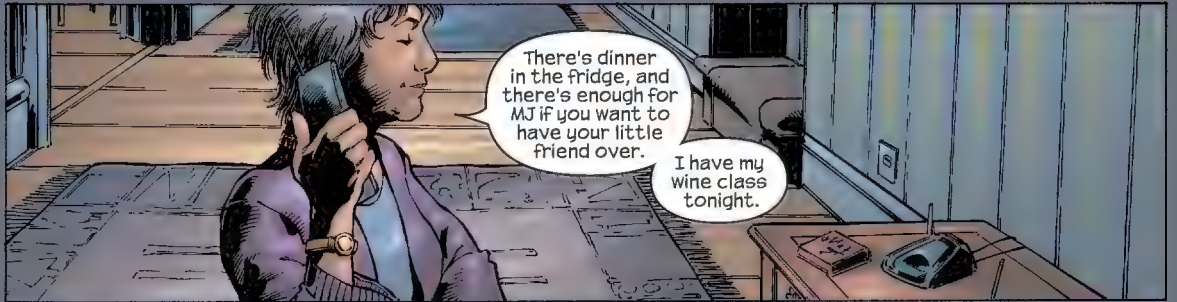

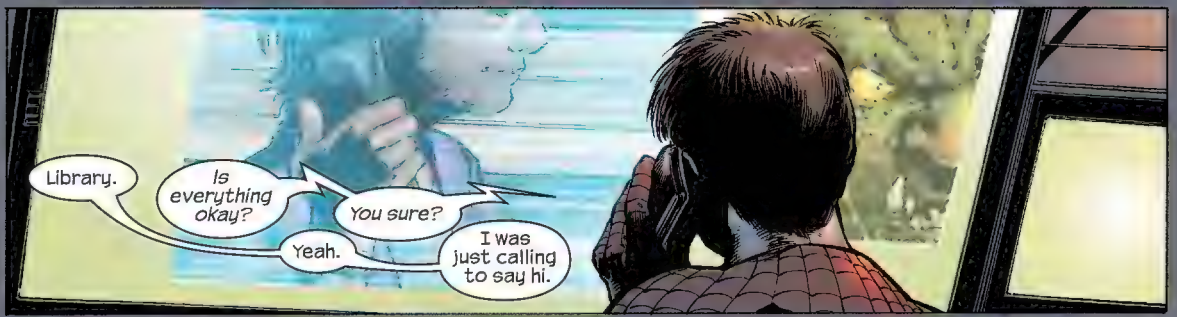

## THE TRISKELION

Headquarters and home of The Ultimates, the U.S. sanctioned superhuman task force created by Nick Fury and S.H.I.E.L.D.

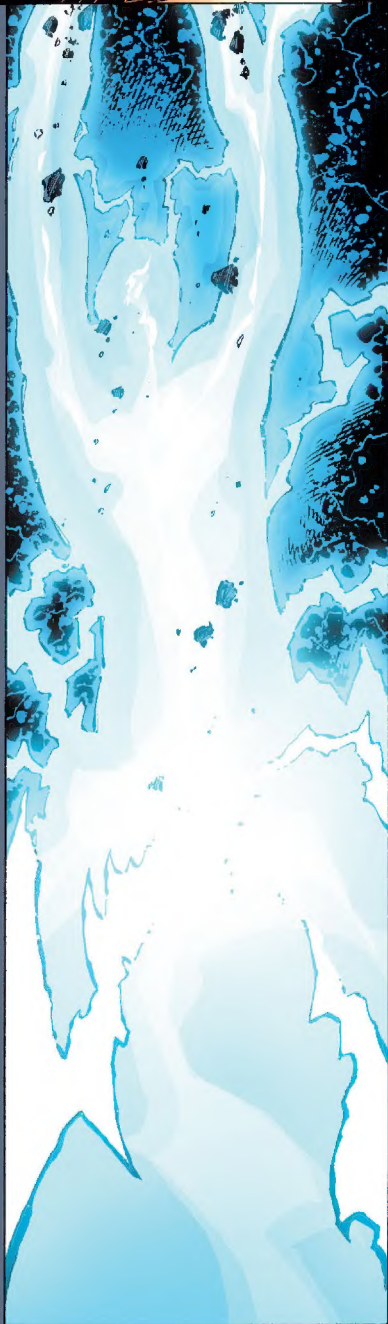

You  
guys like  
that?!!

(I think I  
did that really  
well.)
